Personal Statement

Create a separate document that responds to all of the following topics in an essay.
Your personal statement should be a minimum of 500 words.

◘ Future goals: What is your chosen STEM field of study? How did you come to your decision? Define how your success in this field of study will impact the world and leave a legacy for future generations.

◘ Describe how your interest in Science, Technology, Engineering, or Math has changed your life.

◘ Describe how you believe developments in AI technology will impact education, culture, and the economy.

◘ Involvement in school activities, community and public service, hobbies and/or sports: How are you making a difference through your participation in these events? Do you have any special talents or other areas of interest?

◘ Deserving of scholarship: How will receiving this award affect your current and future plans?

Love a Kid Today and Every Day
